

\$100,000 Gift Propels Fund-Raising Campaign Forward

The YMCA of Greater Cleveland Healthy Communities campaign for Lorain County has received a major shot in the arm in the form of a \$100,000 contribution.

The management team of Carroll Manufacturing and Sales (CMS), has earmarked a donation for the new French Creek Family YMCA which opens April 5, 2010.

As a way to promote wellness among its associates, CMS will also pay 100 percent off the monthly membership costs.

CMS specializes in packaging systems and products for the meat and food processing, foodservice and retail markets, providing customized solutions for protecting food quality while helping companies boost productivity and profits.

The donation is the first major gift in the campaign to complete construction of the new 67-506-square-foot full-service YMCA branch, located next door to All-Pro Freight Stadium, the home of the Lake Erie Crushers, at the intersection of State Routes 611 and 90 in Avon.

CMS asks that other businesses join in their commitment to bringing the YMCA to Lorain County by making a gift to the Healthy Communities Campaign. ♦
